LENKA DUSILOVÁ

Indie Rock / Folk Artist

If you enjoy the likes of **Neko Case**, **PJ Harvey**, **Charlotte Hatherley**, **Rilo Kiley**, or even **Bjork**, then you will find Lenka Dusilova right up your alley. Lenka combines elements of her traditional Czech music background together with modern indie rock to create uniquely catchy songs punctuated by her captivating vocal ability.

Lenka Dusilova is one of the Czech Republic's top indie rock artists. In 2000, she won the **Angel Award** (the Czech equivalent of the **Grammy**) for best female vocalist, and was nominated again in 2003. She has been voted **best female vocalist** of 2000, 2001, 2002 and 2003 by the readers of the influential Czech music magazine, *Report*.

Currently Lenka is entering new frontiers by extending her musical reach into the U.S. indie rock scene with the release of her American debut CD, *UnEarthEd*, on **indie label** Playing Field Recordings. She is also currently recording a new album together with **Tori Amos** bass player **Jon Evans** and Grammy-nominated avant-jazz drummer **Scott Amendola**.
